

TREASURER'S REPORT 2022/23, FIN YR ENDED 31 MARCH 2023

The Club reported a net trading profit for the financial year ended 31 March 2023 of \$284,516 (LY \$179,564) after allowing for provisions for depreciation and employee entitlements of \$66,476 (LY \$58,024). The Club's financial position is very sound given positive financial performance over the past two years. Cash in the bank at end of March was \$526,786 compared to the prior year of \$477,581, so a positive movement of \$49,205.

During the year the Club expensed \$213,080 on capital improvements which primarily consisted of:

Kitchen Upgrade, Renovations and Equipment	\$176,434
Sound System	\$ 20,463
Outdoor Furniture	\$ 8,998
Television and IT Associated Items	\$ 4,273
Garden Shed	\$ 2,912

Total turnover has increased by \$347,880 or 30% which in turn has an impact on costs which have increased by \$226,170. Our bar gross profit margin has been maintained at 70% which is in line with budget. Bar wages have increased by \$32,732 or 29% in line with turnover, but still within our budget KPI of around 20 - 22% of gross bar turnover.

A review of expenditure appears on par with the prior year in relation to overheads, but with the increase in turnover (bar and catering) there is a direct increase in cost of sales.

Tournament expenses are substantial and these relate to Masters, BPL, Super League, 5-a-Side and are up on last year by some \$17000. However, the funding of these expenses via sponsorship and return from BPL prize money is also up by some \$25,000 compared with last year. However, this is probably not a true indication of the impact of tournaments on the Club financially as other related net income from bar sales and catering are not considered.

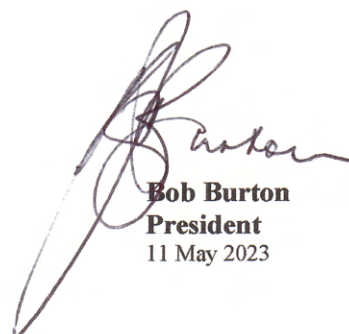

On the matter of performance, budgeted turnover was exceeded by 28% with gross revenue coming in at over \$1.5M. Net income exceeded budget by 44%, so a terrific result which hopefully can be repeated going forward into next season.

A good deal of credit for this outstanding financial performance must be attributed to our Venue Manager Vee McGovern. She has been the person at the front of it all and has managed the Club's venue hire and social bowling events and the associated in-house activity in a very successful manner. The Board is very grateful for her input, time, and effort. In addition, our contract bookkeeper, Stef Koeppen has ably assisted Vee with the accounting system and they have both provided me with invaluable assistance in my role as Treasurer.

I trust members will appreciate the efforts of the Board, staff and volunteers who have all contributed to ensuring that the Club continues to be financially viable and continuously improve the Club's facilities for the future benefit of all members.
